Unexplained Wealth:
Does it add up?

Have you noticed someone who is:

- [ ] Driving luxury cars?
- [ ] Taking expensive holidays?
- [ ] Showing off designer items or jewellery?
- [ ] Living a lifestyle that doesn't seem to match their income?
- [ ] Posting flashy purchases online?
- [ ] Surrounding themselves with suspicious people or activity?

Patterns of unexplained wealth can help support police investigations into organised crime.

If it doesn't add up, report it anonymously to Crime Stoppers.
